Luanne.

So I am the second
one to sign your annual.
I'm glad that I do get to
sign it because you mean a lot
to me and I'm not sure if you
know that. So I will tell you now.
Even though we don't even have to
say anything to each other I feel
we can (and do) communicate in a
very special way. That is something
that I treasure very much I hope
in the years to come you won't
forget about me or the school. Maybe
I will see you. I hope so. Love,

Luanne Earley

Dear Luanne, Save

We must learn to see beyond what is apparent.

To notice the special way a friend smiles or recognize
the sparkle in someone's eyes is to truly see.

How can we live from day to day without realizing that
there is more to life than what lies on the surface?

To really see we must look beneath the surface to our . . .

inner
visions

Creating and seeking to express ourselves,
We live life for moments at a time.
Then the times fade away,
Only to be rekindled by our memories.

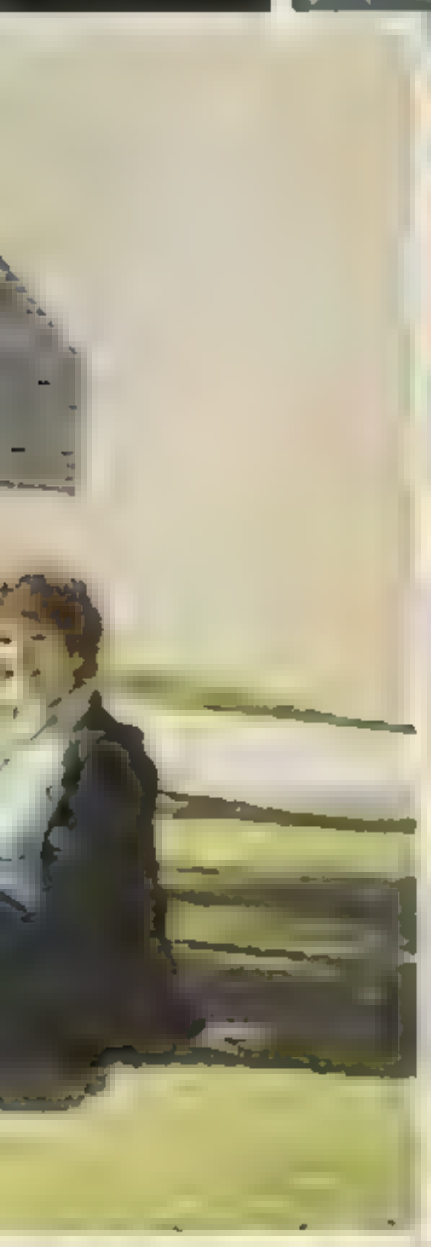

A feeling I hold, known only to my heart,
May it be a goal, a thought, or an emotion, I conceal it.
Later, others may discover it
But for now it is mine alone.

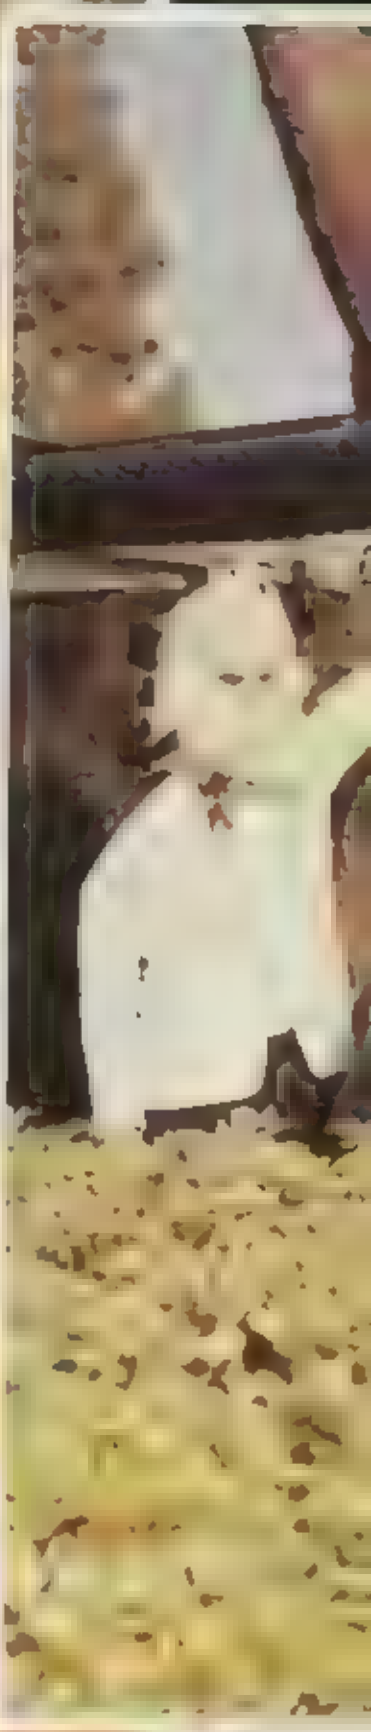

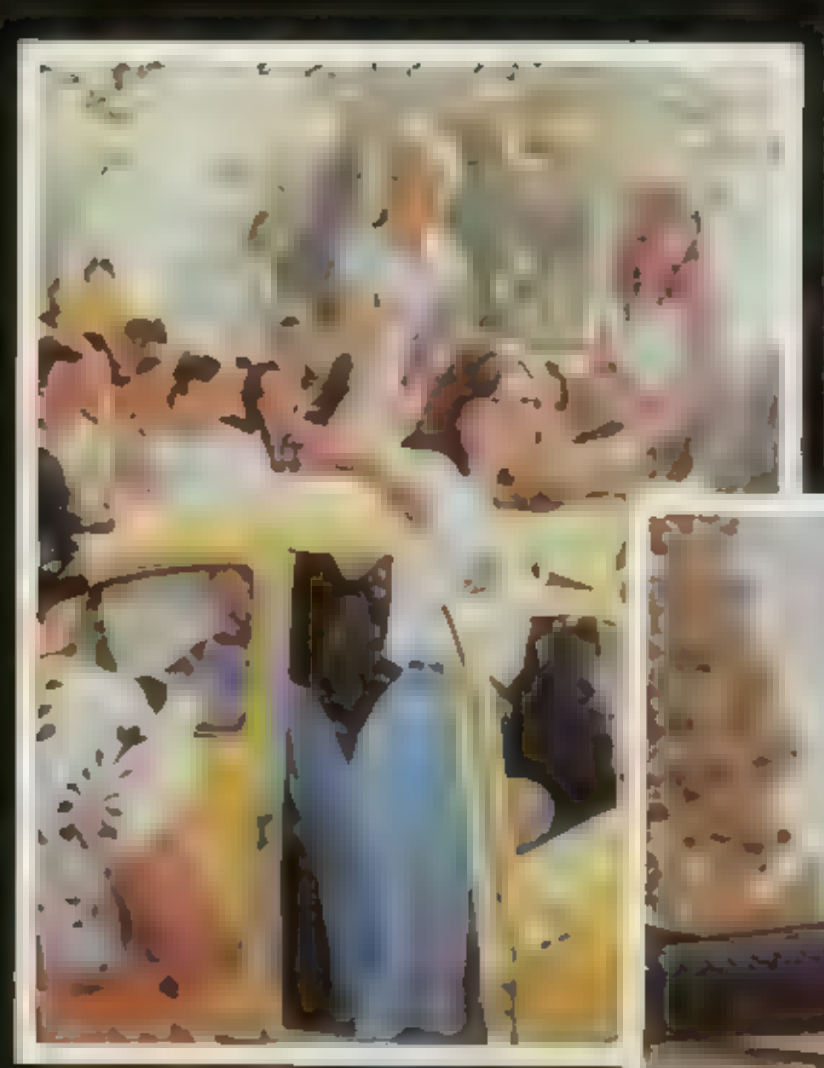

Special friends are always near.

We trust in their knowledge and feel secure in their presence.

To share in each other's lives through the years.

Is to always be content.

Times of laughter, times of cheering,
They all appear in the course of a day,
Sometimes wanted and sometimes totally unnoticed,
In the end, all of them are appreciated.

LUANNE,

WELL WHAT CAN I SAY! (I THOUGHT

E I'D START OFF ORIGINAL) It's been a
great year. The time went by
so fast! It's sad to leave isn't it.

N But it's also great to graduate!
I've been a wonderful friend
and thank you for all the help

T you've given me. I know we'll
see each other a lot during the
summer. We should go out and
dance or something. I have all

H the time in the world being

Too bad

Rabbit Invades Household

A rabbit has invaded the household of a family living in a small apartment in the city. The rabbit, a white one, was found in the kitchen one day. It was very tame and did not seem to be afraid of the family. The mother of the family, a woman of about 40 years of age, was very kind to the rabbit. She gave it a lot of food and let it sit on her lap. The rabbit was very happy and seemed to like the family very much. It was very tame and did not seem to be afraid of the family. Angels Entertain Audience

Two angels, one in a white robe and the other in a dark robe, are seen in a close-up shot. The angel in the white robe is holding a small object, possibly a flower or a piece of jewelry, and is looking at it with a smile. The angel in the dark robe is standing next to them, looking on. The background is a soft, out-of-focus landscape.

Triggs Charts Goals for Lowell

The Lowell School Board has adopted a set of goals for the coming year, which will be the first year of the new millennium. The goals are designed to improve the quality of education and to ensure that all students have the opportunity to succeed. The goals are as follows:

1. To improve the quality of instruction by providing professional development opportunities for all teachers.

2. To ensure that all students have access to a high-quality curriculum.

3. To improve the quality of student learning by providing a variety of learning experiences.

4. To ensure that all students are safe and secure in the school environment.

5. To improve the quality of the school environment by providing a variety of extracurricular activities.

6. To ensure that all students are prepared for the future by providing a variety of career and technical education opportunities.

7. To improve the quality of the school environment by providing a variety of community service opportunities.

8. To ensure that all students are prepared for the future by providing a variety of leadership opportunities.

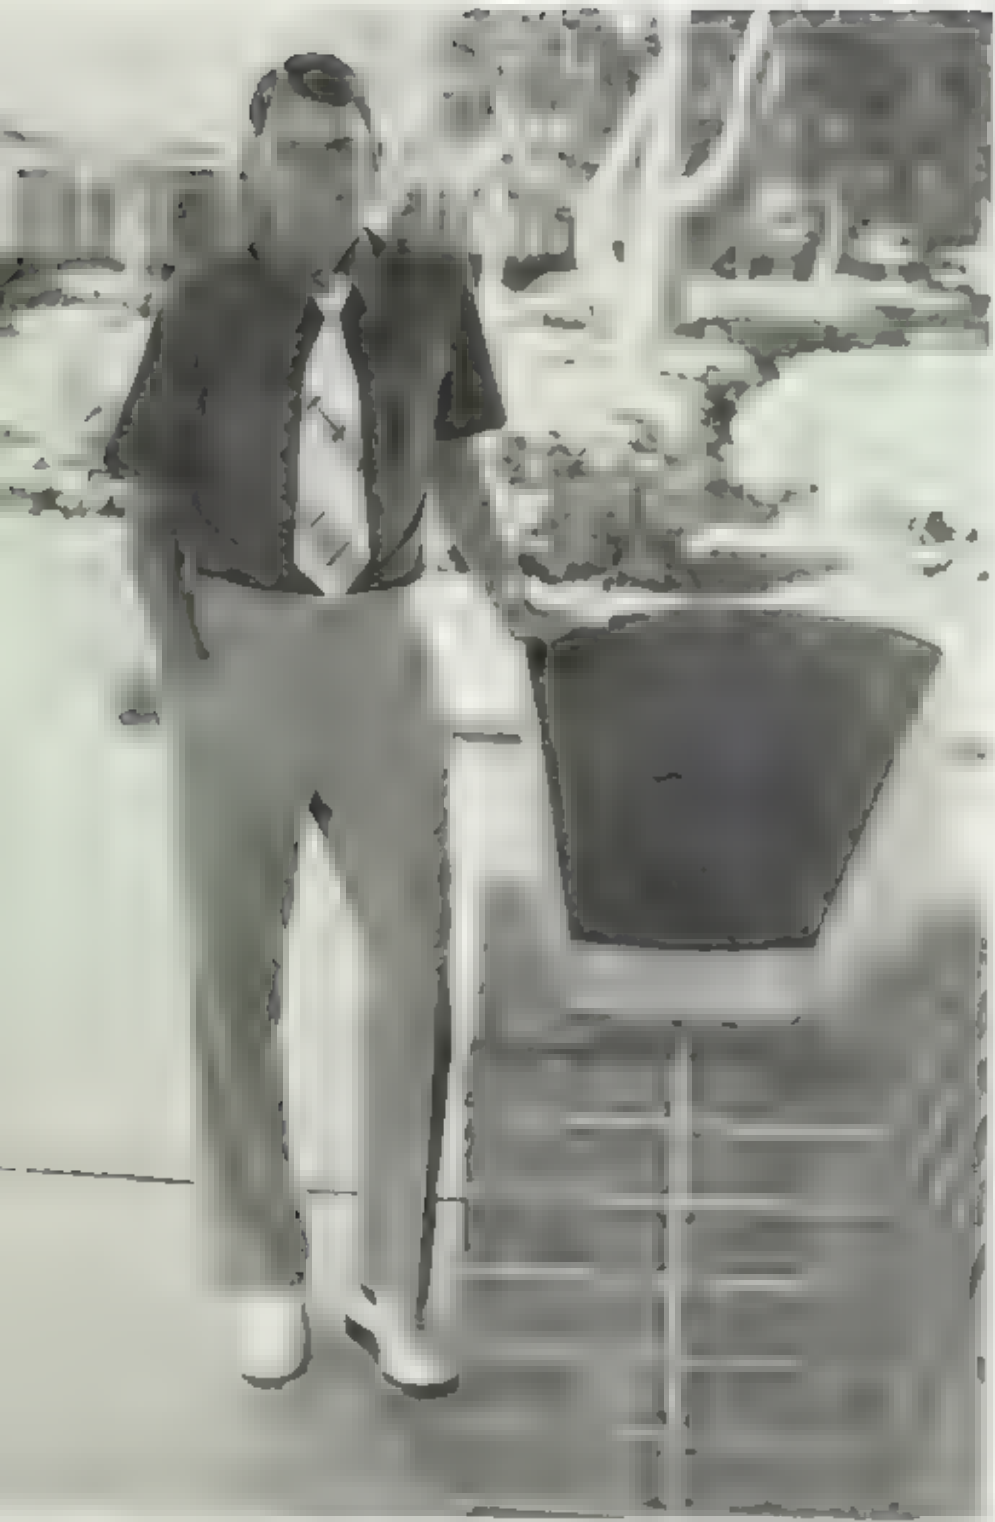

9. To improve the quality of the school environment by providing a variety of health and wellness opportunities.

10. To ensure that all students are prepared for the future by providing a variety of social and emotional learning opportunities.

These goals are designed to ensure that all students have the opportunity to succeed and to prepare them for the future. The Lowell School Board is committed to these goals and will continue to work to improve the quality of education for all students.

Lowell Goes to Harvard

Lowell's first experience at Harvard was a visit to the Harvard Museum of Natural History. She was accompanied by her friend, Mary, and they spent the day looking at the collections of minerals, plants, and animals. Lowell was particularly interested in the collection of minerals, and she spent a great deal of time looking at the different types of rocks and minerals. She was also interested in the collection of plants, and she spent a great deal of time looking at the different types of flowers and leaves. Lowell was very impressed by the Harvard Museum of Natural History, and she decided that she wanted to study at Harvard.

Varsity Sneaks Into CIF

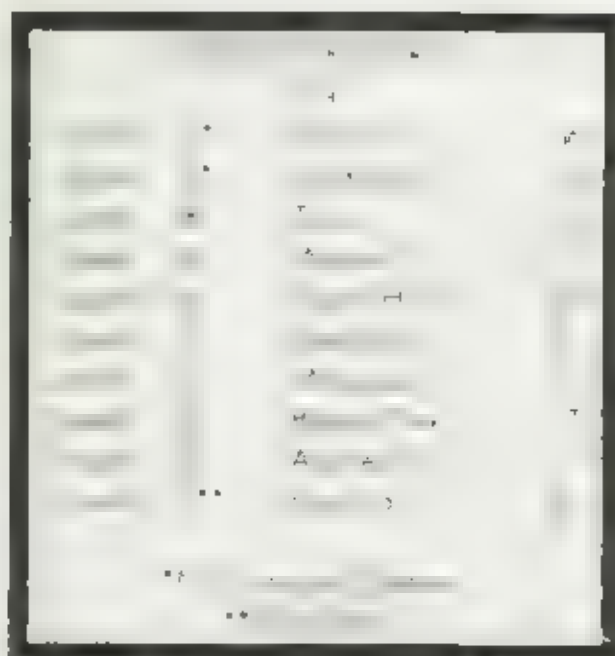

The varsity team has been making a name for itself in the CIF competition. In the first round, they defeated the top seed, the defending champion, and the second seed. This was a huge upset and a testament to the team's hard work and dedication. The team's success has earned them a spot in the semifinals, where they will face the top seed again. The team's coach, Coach [Name], is proud of his team's performance and believes they have a chance to win the CIF championship. The team's success has also earned them a lot of media attention and a large following of fans. The team's next game is on Friday, and the fans are looking forward to seeing them play.

Frosh Capture League Crown

Outright and unchallenged champions bragged coach Trigsted about his freshman football team, and rightly so.

The Patriot freshman football team compiled an impressive 6-1-1 overall and a 5-0-1 league record, good enough to out-distance their nearest competitor by 2½ games.

Leading the offensive unit were quarterback Greg LeVan, and halfback Tim Bertola. LeVan ran for five touchdowns and passed for five. Bertola ran for 10 touchdowns on the season to lead the Pat attack.

On defense Larry Cron led the team in interceptions and tackles. Coach Trigsted heralded Cron as being a league standout, because of his fine efforts.

Assisting Trigsted with the Freshman team were Greg Thomas, Gary Pugh, and Marty Carrillo.

Varsity Changes Their Course

This year the Varsity Cross Country team finished with a record of 2-7. The two wins were against Western 19-44 and Magnolia 43.

Changes were made this season for the varsity team. Instead of running their usual two mile course as in past years, they logged a longer and more tiring three mile course. In upcoming years all meets will consist of not just the Varsity team, but Junior Varsity and Fresh-Soph team running this course and the 2 mile course will be eliminated.

The lack of Seniors this year did create some difficulties for the new coach, Randy Gray, and the team. Fortunately, more experienced runners are promised for future seasons.

The Varsity's high placers in enthusiasm and ability were given to Bob Seymour, Most Inspirational, and Mike Herman, Most Valuable Player.

J.V. Continues Winning Streak

The J.V. football team continued its winning streak with a victory over the visiting team from the state capital. The game was played in a hard rain, but the home team's defense held strong throughout the contest. The J.V. team scored three touchdowns in the first half and two in the second, while the visitors managed only one score. The game was a testament to the team's resilience and teamwork.

The J.V. team's success has earned them a spot in the state championship game. The team is looking forward to the challenge and hopes to bring home the trophy. The coach praised the team's effort and dedication, stating that they are a true team.

The J.V. team's winning streak is a source of pride for the school and the community. The team's success has inspired other students to take up the sport and has shown that hard work and teamwork can lead to success.

Frosh-Soph Winds Up With Only One Loss

The Frosh Soph Cross Country team wound up with only one loss against Buena Park resulting in a season record of 6-1.

Being pitted against Buena Park resulted in the team's most exciting meet. Losing by only a few points did cause great disappointment to all the Frosh Soph team members.

One great win occurred at the Cal High Invitational. The high-spirited tracksters captured the first place medals.

Eric Behring was honored as Most Valuable Player for his high accumulation of points and helpfulness to the team.

Water Polo Gets New Look

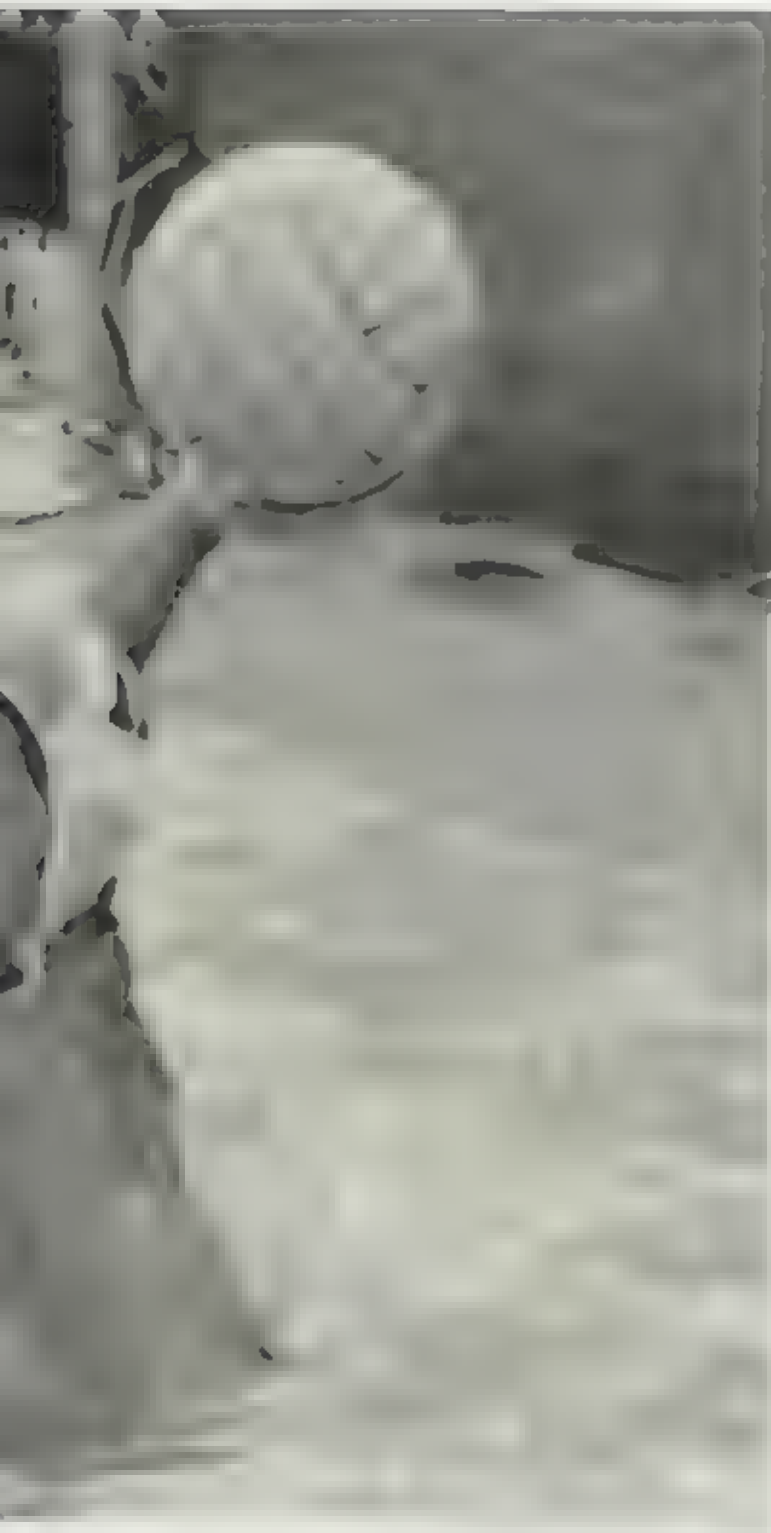

After a long and hard season, the water polo team was crowned champion of the state. The team, coached by Mr. J. M. [Name], won the title by defeating the [Name] team in the final game. The team's success was a result of their hard work and dedication throughout the season.

The team's success was a result of their hard work and dedication throughout the season. The team's success was a result of their hard work and dedication throughout the season. The team's success was a result of their hard work and dedication throughout the season.

Water polo is a team sport that requires a lot of skill and teamwork. The players must be able to swim well and have good coordination. The sport is also very competitive and can be a lot of fun to play.

J.V.'s Improve to 5-4 Record

Coch Tim Murphy led the J.V. Squad to 5 wins and 4 losses. Their nine games were of special interest for three ended in sudden death overtimes.

The J.V.s were victorious in one of those sudden deaths. In past years when the Lowell team played against Sunny Hills, they have lost. This year, however, was a different story, for the J.V. squad defeated Sunny Hills with a score of 4-1.

As the H2O polo season progressed, the J.V.'s improved their overall playing ability with the excellent coaching of Tim Murphy. In the upcoming season the J.V. Squad will be moved to the Orange League.

An Improving Team

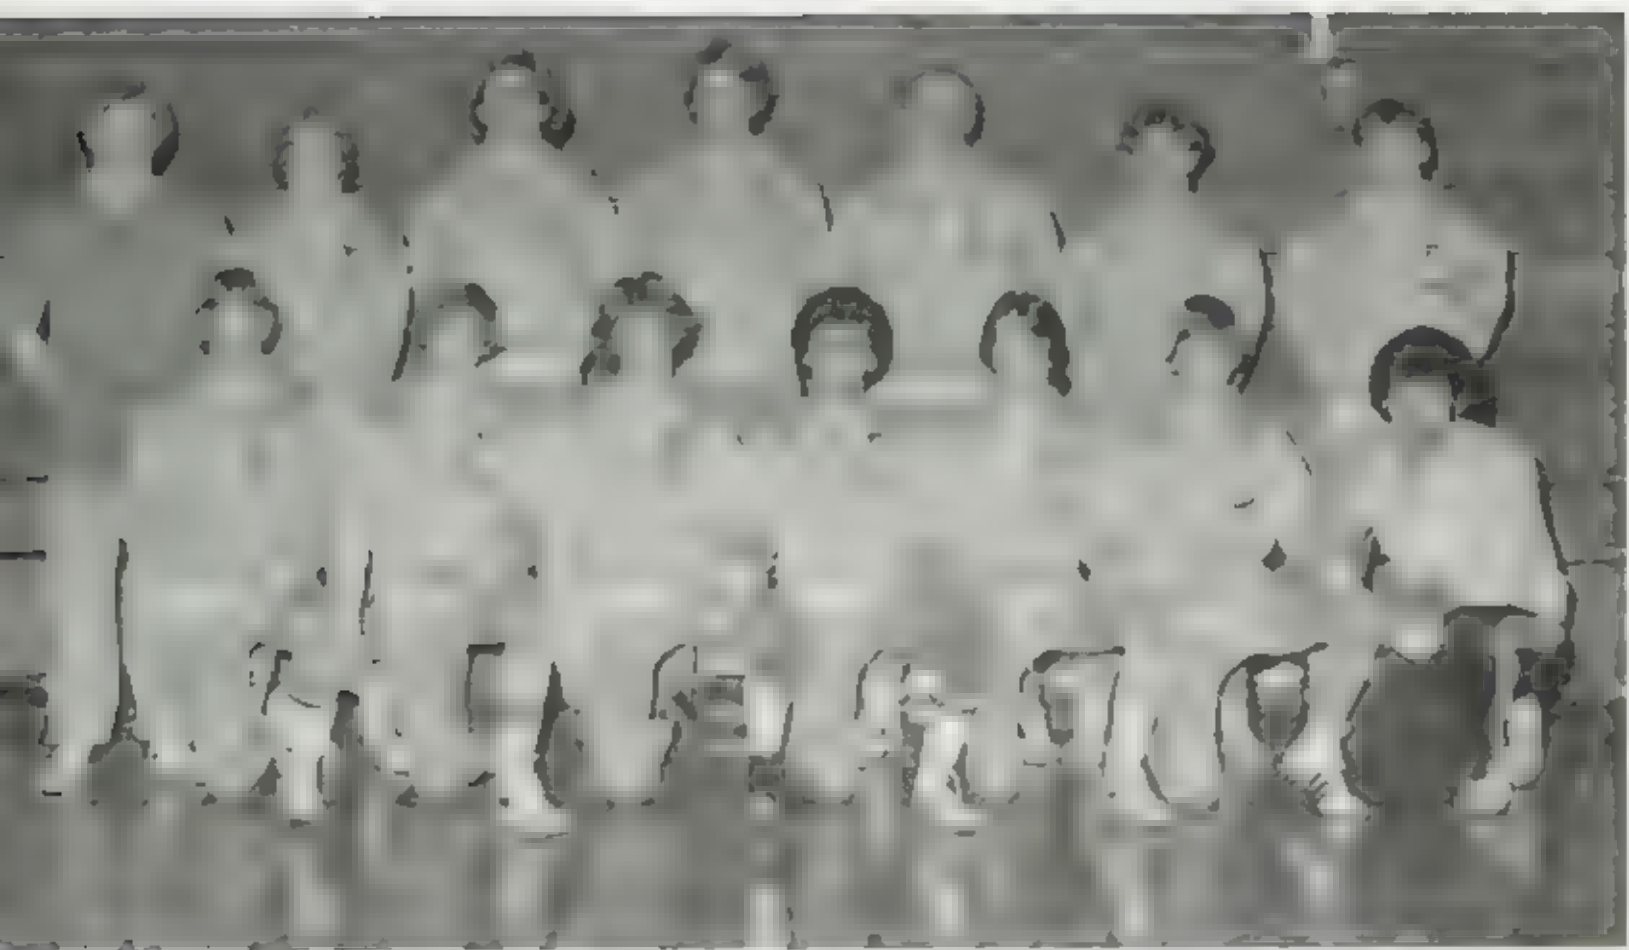

With a 4-5 season the Frosh-Soph Water Polo team improved their overall playing ability, thanks to the assistance of Coach Tim Murphy.

The Frosh-Soph Polo team posed a problem for many of the opposing teams because they concentrated their work on several plays. In practice, shooting drills also made a great contribution to the outcome of the games. Improvement was a key factor in being a thorn in the opposing team's side. In the upcoming season the team will be moved to the Orange League. The teams in this league will be tougher competition.

Varsity Falls Flat

The Varsity Wrestlers wound up with a 0-8 season. The Matmen's closest meet was against the Patriots with a score of 1-7, finishing with a 2 point loss. The Match was down to the 2nd to the last wrestlers. The Patriots lost.

According to Coach Greg Thomas, the main problem that really hurt Lowe's Varsity in this match and through the year was not always having a full team. This made the Patriots forfeit 12 to 18 points per match.

The Varsity Wrestlers Most Valuable Player Award was given to Larry Mehe, co-captain and 2nd place wrestler in the league, and his fellow co-captain, Mike Misner. The Matman awarded Most Improved was John Guy. The Most spirited and enthusiastic player, Mark Stevens, received Most Inspirational Award.

Frosh-Soph Swim to Win

Winning several meets this year the Frosh Soph swam to 4-2 season at press time. Frequently the Frosh Soph encountered tough teams. At the Tri Meet against Los Altimitos and Paos Verdes the Frosh Soph found out that they weren't the best team in the league. Coach Tim Murphy had some excellent swimmers to work with, but all of the swimmers were good. Many a time coach Tim Murphy, beamed from ear to ear when he saw his team swimming toward a victory.

Coach Murphy initiated a new workout for the Frosh Soph squad. He had them work with weights and had them come to many morning workouts he made.

The first part of the paper is devoted to the study of the properties of the function $f(x)$ defined by the equation $f(x) = \sum_{n=0}^{\infty} \frac{f_n(x)}{n!}$, where $f_n(x)$ is a function of the n -th order of the Taylor series of $f(x)$ at the point x . The function $f(x)$ is shown to be a solution of the differential equation $f'(x) = f(x)$ and to be a function of the first order of the Taylor series at the point x . The second part of the paper is devoted to the study of the properties of the function $f(x)$ defined by the equation $f(x) = \sum_{n=0}^{\infty} \frac{f_n(x)}{n!}$, where $f_n(x)$ is a function of the n -th order of the Taylor series of $f(x)$ at the point x . Girls' Cross Country Forges Ahead

Cooched by Randy Gray, former Lowell student and trackster, the Girls Cross Country team forged ahead into a season which culminated in a 52 record. This effort resulted in a second place standing in League in addition to the normal League meets. Two events which helped fill the girls' agenda were invitations at Mt. Sac and Cal High.

The team was sparked by freshman Sherr Bray, whose tremendous performance enabled her to acquire the Most Valuable Player award. Her accomplishments included breaking the 2-mile home course record. Unfortunately, Sherr broke her foot just prior to league finals. It was believed by many of her teammates and Coach Gray that Sherr's participation at the finals might have altered the team's fourth place finish. Brenda M. burn was also influential to the squad and therefore was voted Most Inspirational.

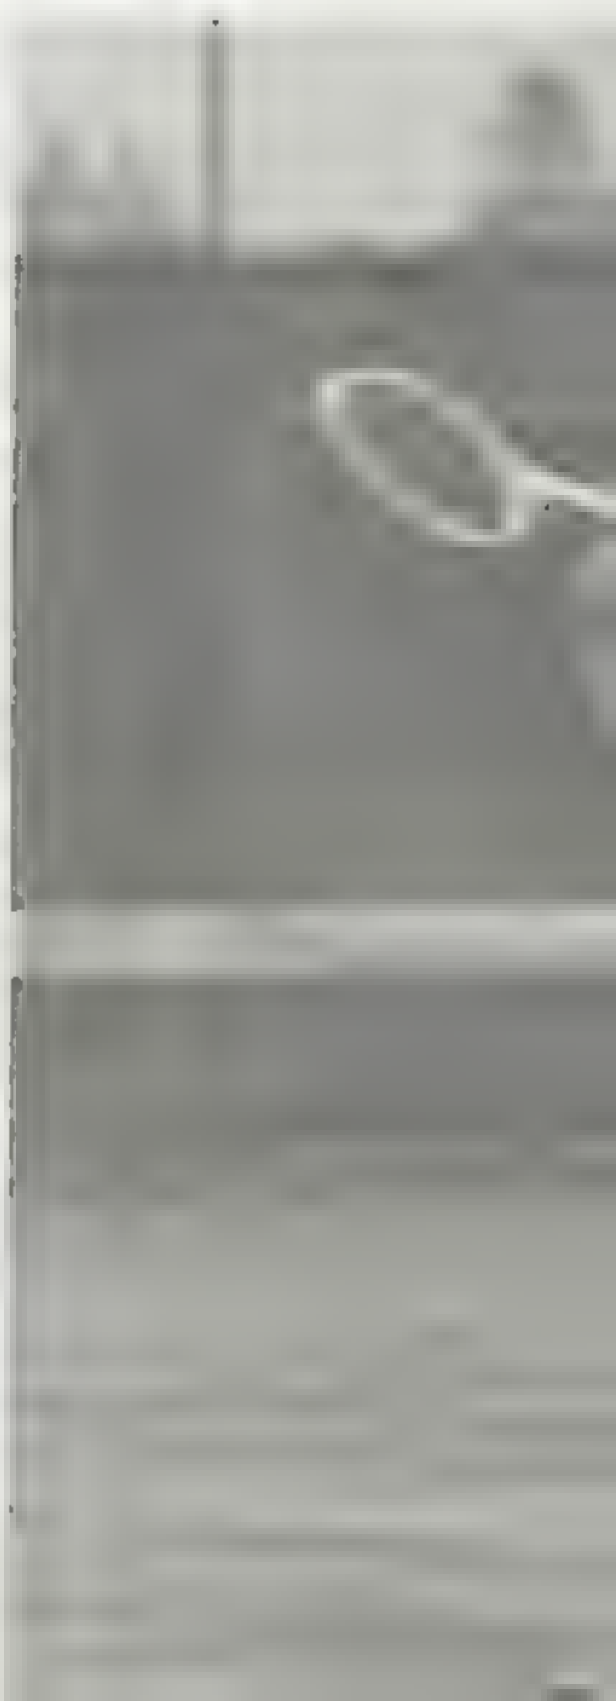

On the team's overall effort, Coach Gray commented, "For only having eight girls they did a really fantastic job, and each girl ran to her top performance during each race."

Tennis Trails Close to Top

An exceptional season was had by both Varsity and JV tennis teams. Coach Sandra Wilson aided the Varsity in attaining the third place standing of 8-4-1.

Three doubles and three singles were chosen to go to League Finals. The doubles teams consisted of Kathy Gimore and Leann Banco, Mary Ann Baskin and Tracy Weiss, Linda Keh and Jana Davis. The participating singles players were Paula Dolberg, Maria Schindelmann and Jackie Benavidez.

Paula Dolberg's season record of 34-2 and her second place capture at finals earned her the right to go to CIF.

The JV tennis team lost to only one and defeated 12 others in their league.

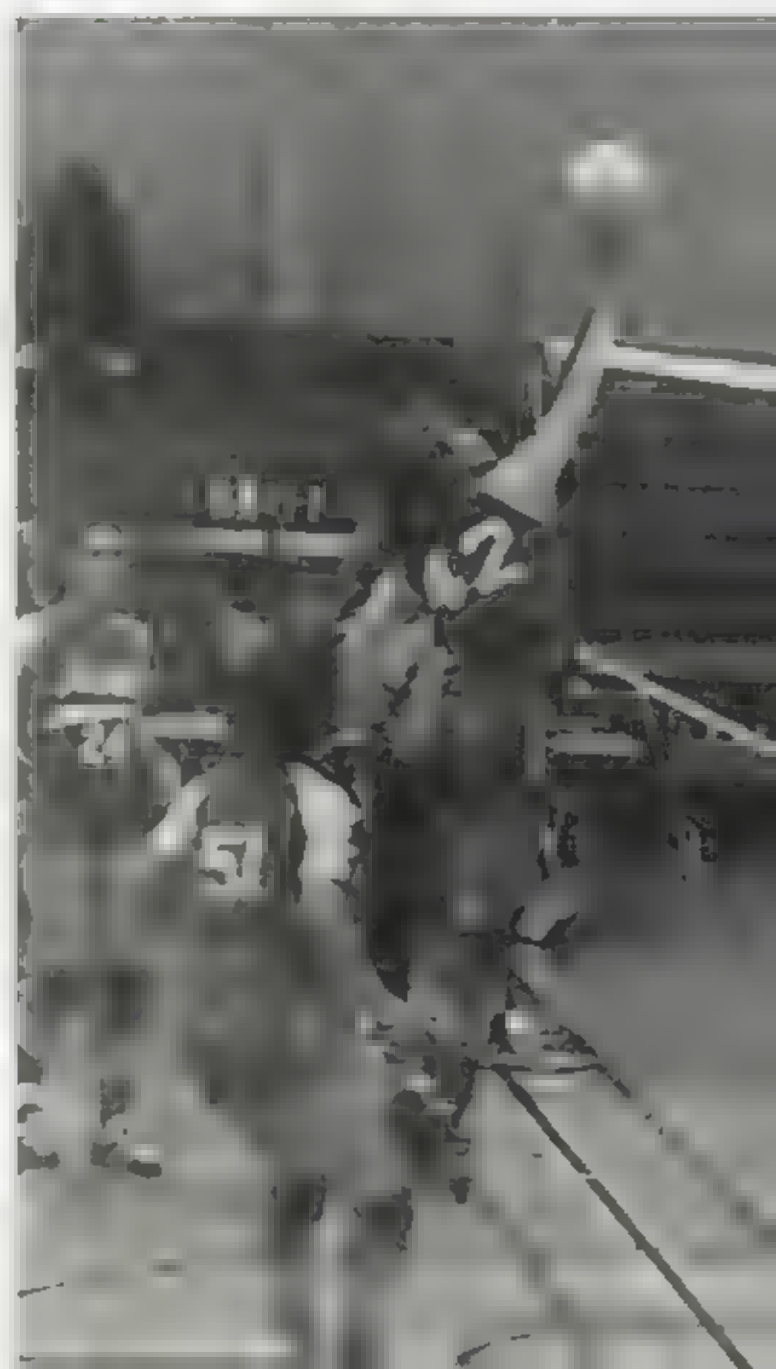

JV TENNIS TEAM Front Row: Karen H. Evans, Julie Oh, Sonya M. Tawna Trueman, Caryn Bishop, Maya Black, Duca, Karen Kamegay, Kerry Casey.

The first part of the paper is devoted to the study of the asymptotic behavior of the solutions of the system (1.1) as $\epsilon \rightarrow 0$. In the second part, we study the asymptotic behavior of the solutions of the system (1.1) as $\epsilon \rightarrow 0$. In the third part, we study the asymptotic behavior of the solutions of the system (1.1) as $\epsilon \rightarrow 0$.

Dear Lucanne,

I'm gonna miss you so very much! You are
 a great friend whom I love very much. We've been
 through some funny situations - like the River
 trip - how could we make it to Portland in
 only 1 1/2 hours - we must have been going
 slow. And remember that dummy who almost
 hit us on the way home? Remember how we
 passed the gas station we drive
 in the middle of the road cause we
 couldn't decide what lane we
 wanted? How funny we
 were though a few special
 things to tell. Something
 though that I admire so
 you very special friendship -
 you are a light and your
 mouth - you "wow" me. I wish
 without you I think I would
 have been a hole - thank you
 always being there. Please keep
 in touch and I wish you and
 Rob all the best in the world
 for your future.

Joanne,
I still wish you
would have stayed
in living comm. Oh, well -
I'll never forget how much
fun we used to have in elementary
school, I'm glad you had a part even
in helping me grow up. I can't even
believe that we're already graduating -
It's been fun! Thanks for being a friend -
I'll see you around. Your friend -
